Teddy Bear's Picnic

Dear **Parents/Guardians**,

On **Friday 17 March 2023**, the Prep Reception and Prep students will be having a Teddy Bear's Picnic. The day is designed to integrate our Mathematics concepts of Number and Measurement, and for the English component, writing about a familiar event. We are asking that all Prep Reception and Prep students bring their favourite teddy bear to school to take part in the Teddy Bear's Picnic. Students will use their teddy bears throughout the morning to participate in a variety of English and Mathematics activities. The fun will conclude with the Prep Reception and Prep classes coming together with their teddy bears to have a picnic for morning tea.

During the planned activities, the teachers will be providing Tiny Teddy biscuits, that the students will then be able to consume. Please note that students will not be sharing food, they will have their own packet to eat.

Please complete the consent form for permission for your child to consume Tiny Teddy Biscuits and to participate in Teddy Bear Picnic activities by no later than **Friday 10 March 2023**.

We look forward to a fun day!

Yours sincerely,

Kylie McKerrow
Prep Coordinator

Lisa Foster
Assistant Principal Head of Junior School
