WOODLEA CAMPUS EXPANSION ANNOUNCEMENT

Dear **Parents/Guardian**,

In line with our school's continued growth and following extensive planning of infrastructure projects, we are pleased to announce the establishment of the Senior School (Years 9-12) at our Woodlea Campus from 2023. The initial intake of students will be for Year 9 only and will grow each year as students progress through the program.

This year the school appointed Ms Amanda Maitland-Smith as Head of Senior School (Woodlea) and she has spent Term 1 developing a high-quality educational plan for our Senior students. We are proud to announce that current students at both campuses will be able to apply for a place in our Year 9 cohort 2023 in [Program Kaizen @ Bacchus Marsh Grammar](#). This is a specialist learning program comprised of three distinct pathways, to be delivered at the Woodlea Campus.

Each pathway is designed to propel students' learning forward to achieve excellent academic results. Students wishing to enrol in [Program Kaizen](#) will participate in one-to-one interviews with the Head of Senior School to assess their suitability for the program and discuss which pathway is most appropriate for their current learning needs and future career and study directions.

In Term Two, current Year 8 students and their families will be invited to attend the launch of [Program Kaizen @ Bacchus Marsh Grammar](#). Further information regarding the particulars of this exceptional learning opportunity will be delivered at the launch evening and expressions of interest for a place in this targeted program will be sought.

We are looking forward to this next exciting phase in our school's development.

Yours sincerely,

Danielle Copeman
Head of Woodlea Campus

Sarah Hunter
Deputy Head of Woodlea Campus
