

Dear **Parents/Guardians,**

## Staughton Vale Campus

## Program

- Plan the development of a new section of the vegetable garden - work out how many raised garden beds can fit in the space and quantity of materials required for 'no dig' beds, and
- Assess the effectiveness of different levels of protection at the revegetation site planted in 2022 – compare survival rates across 3 plots with different protection methods and determine what level of protection delivers the best outcomes such as, best value for money and best survival rate.
