For more information (including tips, suggested equipment, other races, event contact details and more), please visit the following website: <https://www.2xutriathlonseries.com.au/race-6/>

To prepare for the event, your child has been attending training sessions at school as well as seeking opportunities to complete training sessions outside of school. This includes a combination of fitness and skill development.

On the day of the event, Bacchus Marsh Grammar will supply a meeting point that will be in the club section that overlooks the finishing area. This will be in the form of a Bacchus Marsh Grammar flag and will be set up from 6:00am on the morning of the event. This will provide a central location for students to meet and to support each other as they prepare themselves for their events. There will be a group warm up at 6:30am to prepare for Fun Tri event. If your child is not entering the Fun Tri Event, they are still encouraged to join the group warm up.

Due to this event taking place on a weekend, you are required to organise transport to and from the event as well as be responsible for your child whilst at the event.

As your child is representing Bacchus Marsh Grammar, the school will cover all registration fees associated with the event. The school also offers students the possibility to borrow a school-owned road bike and a race singlet for the weekend to complete the event. However, it is preferred that students race with their own bike, as this is what they are most familiar with.

To register for the event, please head to

<https://www.registernow.com.au/secure/Register.aspx?E=47498&G=159664> and register directly with the event organizer. For the school to organise payment and therefore entry into the event, please complete registration before **8:30am on Monday 20 March 2023**. You can still register for the event after this date, however, you will be required to pay for the registration.

If you have any further questions, please don't hesitate to contact Nick Armstrong at armstrongn@bmg.vic.edu.au.

Yours sincerely,

Nick Armstrong
Acting Assistant Head of Year 8
Head of Bacchus House 5-8
