MADDINGLEY CAMPUS

22 October 2021

Dear Parents/Guardians,

I hope you remain well.

There have been seven students who have tested positive for COVID. The rate of infection has definitely slowed and I am cautiously confident it has been nipped in the bud.

All year levels at Maddingley will operate onsite with appropriate arrangements for students who are unable to be onsite including those recognised as personal close contacts.

I wish you a restful weekend.

Kind regards,

Mr Andrew A. Neal - Principal
