# Microsoft Teams for Students - App Download

# **Environment:**

- You should be seated at a table or desk (not on couch or bed).
- You are dressed appropriately and ready for class as per your timetable.
- Ensure there are no other distractions, turn your phone off, TV off and take yourself away from others.
- Wear headphones with microphone where possible.
- Use the chat function as a way to ask questions and share ideas be appropriate and respectful.

# **Behaviour:**

- You will be asked to identify yourself at the start of class so the roll can be taken, you must have your camera on and facing you.
- Unless instructed otherwise by your teachers, cameras must remain on and facing you for the duration of the lesson or you will be marked absent.
- Be positive and respectful with your communications at all time.
- If you wish to speak, say your name and wait to be called on by your teacher.
- •Each student will be called upon at some stage in the lesson, be attentive and ready to respond.
- Do not record the class (this will be done by the school and distributed afterwards).
- Taking screen recordings or screen shots is a breach of Privacy Laws and the School's digital code of conduct.

# Wellbeing:

- Take this learning experience seriously. It will be a bit strange at first, but we will all get the hang of it.
- Take advantage of the virtual classrooms to engage with your teacher and classmates. You may feel quite isolated at home.
- Get up between classes and move around. Use the recommendations and welfare tips given to you to support your physical and mental wellbeing.
- Let your Teachers, or Year Level Coordinator know if you are struggling, having trouble accessing your lessons or are confused in any way.

# How to download Microsoft Teams

- If using an apple product, open the App Store.
- If not using a school Chromebook, then your Play Store button may be somewhere else.
